

Traineeship Programme –2022 - 2023

Corporate Services (CS)

Description of the Unit

The Corporate Services Unit supports the operational work of the Agency enhancing its ability to function as a best practice, knowledge-based, lean and service-oriented public body as well as to create and sustain a pleasant and appreciative working environment.

Its core tasks include a range of activities supporting the Agency's operations, such as human resources, finance, procurement, planning, quality, legal, digital services, and facilities.

It is composed of three Sectors:

- **Finance & Contracting Sector**

It provides financial services, contributing to the effectiveness, efficiency, and economy of operations, ensuring sound financial management of the Agency's financial resources, and compliance with the applicable financial and implementing rules. The sector also provides reliable financial management reporting to the Agency's management to facilitate the decision-making process. It is responsible for the sound implementation of the procurement procedures (purchasing at the most economic advantageous tender) as well as following up on the contracting side. It also deals with the legal cases raised against the Agency, either by staff members or by contractors or external stakeholders.

- **Digital Services & Facilities Sector**

The Digital Services & Facilities Sector is responsible for the provision of uninterrupted IT services; the digital transformation of the Agency's procedures; the development of office automation tools; and the provision of "state of the art" applications to support administrative and operational activities of the Agency.

- **Human Resources Sector**
