4. Who is responsible for processing your personal data?

The Agency is the legal entity responsible for the processing of your personal data and determines the objective of this processing activity. The Head of Corporate Services is responsible for this processing operation.

5. Which is the legal basis for this processing operation?

The legal basis for this processing operation can be found in Article 15.4(b) of the FRA founding Regulation (EC) No 168/2007, as amended by Regulation (EU) 2022/555 (the amended founding

Regulation). It is also in accordance with Articles 8.2 (a) and 10.4 (a). Finally, this consultation is in line with the procedure of the preparation of the FRA's Annual Work programme.

Therefore, the processing is lawful under Article 5.1.(a) of the Regulation (EU) No 2018/1725

6. Who can see your data?

A limited number of FRA staff assigned to this activity have access to the personal data. More concretely, these include the FRA Planning Team and the FRA Contact points for FRP, NHRIs, Equality Bodies and Ombuds-institutions.

Personal data is processed by the Agency only. In case that we need to share your data with third parties, you will be notified to whom your personal data has been shared with.

No.

We will start the processing operation in August 2022

10. How long do we keep your data?

The raw data will be stored for unlimited time. We will keep the emails received by the stakeholders until 31.12.2022. After this date, all personal data will be deleted.

11. How can you control your data?

Under Regulation 2018/1725, you have rights we need to make you aware of. The rights available to you depend on our reason for processing your information. You are not required to pay any charges for exercising your rights except in cases where the requests are manifestly unfounded or excessive, in particular because of their repetitive character.

We will reply to your request without undue delay and in any event within one month of receipt of the request. That period may be extended by two further months where necessary, taking into account the complexity and number of the requests.

You can exercise your rights described below by sending an email request to planning@fra.europa.eu

11.1. Your data protection rights

a. Can you access your data?

You have the right to receive information on whether we process your personal data or not, the purposes of the processing, the categories of personal data concerned, any recipients to whom the personal data have been disclosed and their storage period. Furthermore, you can have access to such data, as well as obtain copies of your data undergoing processing.

b. Can you modify your data?

You have the right to ask us to rectify your data you think is inaccurate or incomplete at any time.

c. Can you restrict us from processing your data?

You have the right to restrict the processing of your personal data. If you do, we can no longer process them, but we can still store them. In some exceptional cases, we will still be able to use them (e.g. with your consent or for legal claims). You have this right in a few different situations: when you contest the accuracy of your personal data, when the Agency no longer needs the data for completing its tasks, when the processing activity is unlawful, and finally, when you have exercised your right to object.

d. Can you delete your data?

You have the right to ask us to delete your data when the personal data are no longer necessary for the purposes for which they were collected, when you have withdrawn your consent or when the processing activity is unlawful. In certain occasions we will have to erase your data in order to comply with a legal obligation to which we are subject.

We will notify to each recipient to whom your personal data have been disclosed of any rectification or erasure of personal data or restriction of processing carried out in accordance with the above rights unless this proves impossible or involves disproportionate effort from our side.

e. Are you entitled to data portability?

Data portability is a right guaranteed under Regulation 1725/2018 and consists in the right to have your personal data transmitted to you or directly to another controller of your choice.

In this case, this does not apply for two reasons: I) in order for this right to be guaranteed, the processing should be based on automated means, however we do not base our processing on any automated means; II) this processing operation is carried out in the public interest, which is an exception to the right to data portability in the Regulation.

f. Do you have the right to object?

When the legal base of the processing is “*necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the Union institution or body*” which is the case in most of our processing operations, you have the right to object to the processing. In case you object, we have to stop the processing of your personal data, unless we demonstrate a compelling reason that can override your objection.

g. Do we do automated decision making, including profiling?

Your personal data will not be used for an automated decision-making including profiling.

12. What security measures are taken to safeguard your personal data?

The Agency has several security controls in place to protect your personal data from unauthorised access, use or disclosure. We keep your data stored on our internal servers with limited access to a specified audience only.

13. What can you do in the event of a problem?

a) The first step is to notify the Agency by sending an email to planning@fra.europa.eu and ask us to take action.

b) The second step, if you obtain no reply from us or if you are not satisfied with it, contact our Data Protection Officer (DPO) at dpo@fra.europa.eu.

c) At any time you can lodge a complaint with the EDPS at <http://www.edps.europa.eu>, who will examine your request and adopt the necessary measures.

14. How do we update our data protection notice?

We keep our data protection notice under regular review to make sure it is up to date and accurate.
